Información / postulación	https://apru.org/event/2021-global-mooc-and-online-education-conference/ https://mooc.global/conference/
Descripción general	<p>Global MOOC and Online Education Conference 2021 will be held virtually from December 6-9, 2021. The conference aims to explore policies and practices in driving the innovation required in the new global digital era for the higher education sector, as well as showcase collaborative ideas and frameworks to build more open, integrative, and resilient universities. The conference has seven sub-forums. The topics of the sub-forums are:</p> <ul style="list-style-type: none"> • Digital transformation of higher education and teachers' professional development in the MOOC era; • MOOC and online learning in future education; • Educating future scientists & engineers; • Virtual mobility and curricular programming; • Digital technology enhances blended learning and collaborative learning • Designing and delivering the most career-relevant online programs; • Transformation of online learning platforms. • <p>Click here to see the Agenda.</p>
