### **About the Law Schools Global League**

The Law Schools Global League (LSGL) brings together law schools that share a commitment to the globalisation of law and to integrating global law in their teaching and research. The purpose of the League is to promote legal education and scholarly research in relation to the globalisation of law by, among other things, fostering academic debate on the impact of globalisation on law and setting a research agenda for this. The League's agenda is broad and inclusive, covering all fields of law where globalisation and interdependence are an issue.

**Program in Brief**

**Welcome Dinner** - 7 February 2023

**Preparatory Deans' Meeting** - 8 February 2023

**Academic Conference (and LL. M Fair)** - 9 February 2023

## Academic Conference Thematic Areas

The Academic Conference will feature presentations and discussions on any of the following thematic areas focused on global issues, and which have also been the areas of focus of the various LSGL research groups:

1. Anti-corruption and compliance
2. Business and law
3. Human rights
4. New technologies and law
5. International trade and investment law
6. Global private law and institutions
7. Legal education
8. Environmental regulation

## Call for Papers

- Paper proposals of **300 to 500 words**, on any of the thematic areas, together with a brief CV, should be submitted no later than **30 November 2022** to [\*\*lsglconference2023@strathmore.edu\*\*](mailto:lsglconference2023@strathmore.edu)
- This call for papers is for senior and junior researchers at LSGL institutions.
- Proposals will be reviewed by a panel consisting of the current LSGL co-presidents and SLS faculty members.
- Decisions will be announced by **15 December 2022**.
- Successful applicants will be invited to present on the second day of the Conference.
- Papers should be ready for circulation to all participants no later than **31 January 2023**.
- Please send all inquiries, paper proposals/CVs, and final papers to [\*\*lsglconference2023@strathmore.edu\*\*](mailto:lsglconference2023@strathmore.edu)

## Conference Information

### 1. Conference Registration

- To register for the conference, please fill out [this form](#).

### 2. Conference Information and Assistance

- The main contacts for conference information and assistance are:

**Roselyne Mwanza – Graduate Assistant, Strathmore Law School**

**Email Address:** [rmwanza@strathmore.edu](mailto:rmwanza@strathmore.edu)

**Wambui Kelemba – Graduate Assistant, Strathmore Law School**

**Email Address:** [wkelemba@strathmore.edu](mailto:wkelemba@strathmore.edu)

### 3. Conference Location

- The two-day conference will be held at [Strathmore University](#) located on Ole Sangale Road, Off Langata Road, Nairobi.

### 4. Visas

- Information about visa requirements to enter Kenya is available at:
  - <https://evisa.go.ke/evisa.html>
  - <https://immigration.ecitizen.go.ke/index.php?id=6>
- Strathmore Law School can provide a letter of introduction to support visa applications.

### 5. Travel

- All participants are to pay for their own travel to and from Nairobi, and to and from the conference venue.

### 6. Weather

- February is a moderately hot month in Nairobi, Kenya, with average temperatures ranging between 27°C (80.6°F) and 14.3°C (57.7°F).

## **Health Travel Advisory**

### **1. Health Insurance**

Get comprehensive [travel insurance](#) before you leave. Ideally, your policy needs to cover all overseas medical costs, including medical evacuation.

This applies to everyone, no matter how healthy and fit you are.

Confirm:

- what activities and care your policy covers
- that your insurance covers you for the whole time you'll be away.

### **2. Physical and Mental Health**

Consider your physical and mental health before you travel, especially if you have an existing medical condition. Consider whether you may be in a vulnerable category for COVID-19.

See your doctor or travel clinic to:

- have a basic health check-up
- ask if your travel plans may affect your health
- plan any vaccinations you need
- get a medical report with vital clinical information, for example about allergies, previous surgeries, current medications, co-morbidities/ pre-existing medical conditions which may come in handy should you require treatment during your stay here in Kenya

Do this at least 8 weeks before you leave.

### **3. Medication**

If you plan to bring medication, check if it is legal in Kenya. Take enough legal medicine for your trip.

Carry a copy of your prescription or a letter from your doctor stating:

- what the medication is and the condition for which it is indicated
- how much you'll take
- that it is for personal use

### **4. Health Risks**

#### **a. COVID-19**

Proof of vaccination for COVID-19 or a negative COVID-19 PCR test conducted not more than 72 hours prior to departure. Monitor from reliable sources such as [WHO](#) for latest developments on COVID-19 and follow the advice of local health officials.

For information on Kenya's COVID-19 vaccination program, refer to the [COVID-19 Self Service Portal](#). You should consult your local health professional for advice on vaccine options, including assistance that may be available locally.

More information and most recent updates on the same:

- [COVID-19 Vaccination Updates](#) (Kenya's Ministry of Health)
- [Office of the Kenyan President](#)
- [Kenyan Ministry of Health](#)

#### **b. Insect-borne diseases**

Yellow fever is a virus spread by mosquitoes that can cause serious illness. It's prevented by vaccination. Get vaccinated before you travel.

[Malaria](#) is widespread except in Nairobi and at altitudes above 2500m. Anti-Malaria medication (recommended, especially if planning to travel outside Nairobi).

Other insect-borne diseases occur, such as:

- [Dengue](#)
- [Rift valley fever](#)
- [African sleeping sickness](#)

To protect yourself from disease:

- make sure your accommodation is insect-proof
- use insect repellent
- wear long, loose light-coloured clothing
- You may consider taking medication to prevent malaria should you visit malaria-endemic regions; visit your primary doctor/physicians for further discussions on the same as well as most suitable options for you.

Visit a doctor if you develop either a fever, muscle pain, a rash or a bad headache.

#### **c. HIV/AIDS**

[HIV/AIDS](#) infection rates are very high. Take precautions if taking part in activities that put you at risk of infection.

#### **d. Other health risks**

Waterborne, foodborne and other [infectious diseases](#) that may occur include:

- [Hepatitis](#)
- [Meningococcal disease](#)

- [Measles](#)
- [Cholera](#)
- [Tuberculosis](#)

Serious outbreaks may occur from time to time.

To protect yourself from illness:

- drink boiled water or bottled water with sealed lids
- avoid ice cubes
- observe basic hand hygiene, food and water sanitation.
- avoid raw and undercooked food, such as salads

**More information:**

- [COVID-19 Vaccination Updates](#) (Kenyan Ministry of Health)
- [Office of the Kenyan President](#)
- [Kenyan Ministry of Health](#)

During your stay, visit a doctor if you develop either a fever, diarrhoea, muscle pain, a rash, a bad headache or generally feel unwell.

Before your visit, travellers should consult a travel medicine specialist to obtain the necessary vaccinations required for their trip, as well as in accordance to their medical and vaccination history.
