

Public call for submission of articles - Law Journal "Opinião Jurídica" (Unichristus)

The Revista Opinião Jurídica is an international standard Brazilian journal, rated by the Brazilian government with the 2nd highest grade (A2) in QUALIS - an 8-tiered ranking, as reported by CAPES (government agency responsible for evaluating the journals of each area).

We operate in electronic version, open access and free. We have a very strategic visibility, with access in about 20 countries, as can be seen in our "statistics" tab (<http://periodicos.unichristus.edu.br/index.php/opiniaojuridica/statistics>).

The Revista Opinião Jurídica has been published continuously since 2003. Since its 4th issue, it has been publishing articles by authors from several countries, in the following languages: English, French, Spanish, Italian and Portuguese - from Lusophone countries.

It is our editorial policy to prioritize the processing and publication of international articles (which may eventually have Brazilian co-authors).

We are calling on foreign authors interested in sending us unpublished articles of 15 to 30 pages. Authors and co-authors must be registered with ORCID (International Author Identification Number).

If you prefer, you can ask the team to provide your registration in ORCID by opiniaojuridica02@unichristus.edu.br.

The submission must be made directly to the portal (<https://periodicos.unichristus.edu.br/opiniaojuridica/login?source=%2Findex.php%2Fopiniaojuridica%2Fauthor%2Fsubmit%2F>), when the author undertakes to comply with all ethical standards of good research practice, as required by COPE.

In case of difficulty, if you prefer, you can send your article to opiniojuridica01@unichristus.edu.br, asking the team to formalize the submission of your work.

In this second case, we will send a copy of the guidelines to authors, by email, in order to obtain the agreement of the proposing author.

Articles may be proposed with a maximum of 3 co-authors, at least one of them necessarily doctor or doctoral student born outside Brazil, with current link in a foreign institution (as a teacher or student / researcher).

Any remaining questions, please contact us at opiniojuridica01@unichristus.edu.br.

Cordial greetings,
Revista Opinião Jurídica Team
