

RESEARCH COUNCIL OF NORWAY – FUNDING FOR RESEARCH STAYS IN NORWAY FOR VISITING RESEARCHERS

11. Research Council of Norway – Funding for Research Stays in Norway for Visiting Researchers	
Institución / país	Research Council of Norway
Dirigido a	Profesores, investigadores
Plazo	Open-ended
Información / postulación	https://www.forskningsradet.no/en/call-for-proposals/2020/funding-for-research-stays-in-norway-for-guest-researchers/
Descripción general	<p>This call for proposals relates to funding for research stays at a Norwegian research organisation for foreign researchers who are employed at an institution outside of Norway. The Norwegian host institution must submit the application and serve as the Project Owner.</p> <p>This call has an open-ended submission deadline, i.e. grant applications may be submitted at any time during the year, and will be processed on an ongoing basis.</p> <p>Research stays are to have a duration of minimum one month, and maximum 12 months.</p> <p>This is a joint call for proposals across multiple activities under the Research Council. You may only apply for support from the activities/programmes that are listed in the call. Please note that some activities may operate with special requirements and guidelines for this type of funding. Applicants are therefore advised to consult the relevant activity for information about any specific requirements and guidelines.</p> <p>This call is open to grant applications for designated visiting researchers who are employed at foreign research institutions. The visiting researcher must have an approved doctorate or equivalent qualifications before submission of the grant application. It is the Norwegian host institution that is to submit the grant application.</p> <p>Relevant thematic areas for this call: energy, transport and low emissions; oceans; health; climate and polar research; enabling technologies; education and competence; welfare, culture and society.</p>
