

CALL FOR PAPERS

XIV EDaSS International Conference

International Conference
"Economic Development and Social Sustainability"
EDaSS 2025 XIV Edition
Rome, Italy
April 3-4, 2025

We are pleased to announce that we will organize the XIV edition of the International Conference "Economic Development and Social Sustainability" - EDaSS in Rome, Italy, from the 3 to the 4 April 2025, at Niccolò Cusano University (Via Don Carlo Gnocchi, 3, 00166 Rome RM, Italy).

THE EDaSS INTERNATIONAL CONFERENCE

The EDaSS International Conference "Economic Development and Social Sustainability", in its XIV edition, aims to promote reflection and debate on the new vision of sustainability. It is a forum for academics, scientists and professionals from various fields related to sustainable development from environmental, social and economic perspectives.

DESCRIPTION

EDaSS is an international multidisciplinary conference in which academics from different research institutions debate economics and management, legislation, society, technology, environment and other research areas related to Sustainable Development in a broad sense. The main goal is boosting scientific knowledge and transfer it to society.

TOPICS

This conference covers all multidisciplinary topics related to Economic Development and Sustainability. However, the following topics are recommended:

- ✓ Circular economy: new challenges
- ✓ Robotization, Artificial Intelligence and its economic and social impact
- ✓ Sustainability of space and the seabed: space and deep-sea debris
- ✓ Sustainable management, financing and accounting
- ✓ Marketing, communication and corporate social responsibility
- ✓ Knowledge, innovation, technology and entrepreneurship
- ✓ Inequality, poverty, risk of exclusion and labour market
- ✓ Ethics, politics, economics and values. Law, legal framework, regulation and governance
- ✓ Environment and climate change and Transport
- ✓ Tourism, territory and urban and rural development. Resilient spaces
- ✓ Other relevant topics

CHAIRS OF THE CONFERENCE

Prof Isabel Novo-Corti - University of A Coruña, Spain
